ICSE ENGLISH VIII, IX, X | PROSPECTUS 2025-26

VIKRAM'S ENGLISH ACADEMY

**With us you get what you see. We believe in being ladders to your kids.
No unpleasant surprises (snakes), here.**

After producing Board English Toppers & School Toppers for more than 10 years, the easiest temptation would have been to expand. Even over expand! Commit some teachers, present other teachers. But not with us! We had 2 centres a decade ago, and have 2 centres even now. Thousands of successful students have gone by in this decade. Their lives touched by the two aficionados of English (Vikramjit Sir and Kripa Mam). To our surprise, we are now seeing students coming to our Mulund and Bhandup Centres from Andheri, Dadar, Vashi, Sion, Dombivli, Ghatkopar, Powai and Thane (Ghodbunder). *If this is not a hallmark of excellence, what else is?*

The one thing we have built **BRICK by BRICK** in the last **DECADE**

The **BUILDING BLOCKS** to the **BLIND TRUST** that **PARENTS** have in us

Terrific Teaching

Topnotch Teaching by the Two Titans whose pedagogy students swear by. Both Vikramjit Sir and Kripa Madam have set a new benchmark in English teaching and have impacted the language and lives of 1000s of their students.

Reliability

Razor-sharp Reliability is what we are known for, whether it is completion of portion, conducting of tests, a well-planned and no-change timetable. Responsible Regularity is the way of life for us.

Uniqueness

Our Uniqueness lies in the Unrivalled Understanding of the students' psyche which inspires us to come up with Unique and Ultimate solutions for them for Uplifting their learning experience. We use music to sugarcoat English grammar, hammer grammar through the Grammar - Hammer (1000 marks Grammar practice Tests). Key Word Tests and Objective Tests are conducted to ensure they get a grip over Literature.

Systems

We understand that the Stability of any Academy depends on Successful and Sensible implementation of the systems. We have a robust use of technology for the same. Students can practise grammar (with instant correction), download extra papers and read great compositions on our website. Parents can track the number of grammar exercises done by their kids and essays downloaded.

Transformation

True Transformation of a child is based on academic brilliance going hand in hand with mental well-being. To leave no stone unturned for the students, we offer them unlimited doubt-clearing sessions, many extra sets of prelim papers and even a 24 hour helpline 'There 4 U' a day before the board exam. To lift their spirits and drooping shoulders, a special session called 'Milestone' is conducted for the students of Standard 10th in the month of September. For many of them, it serves as a game changer and 'resets' their approach to life. The results we have produced over the years just affix a stamp of confirmation to it. Just a glimpse on the next few pages will show you the same.

Testimonials

The dedication and commitment of the Sir and Mam here have truly been unparalleled. The quality of teaching at VEA is exceptional. Sir and Ma'am are extremely knowledgeable and approachable, always ready to go the extra mile to ensure every concept is clearly understood. The study materials provided were comprehensive and well-structured, covering all aspects of the portion. **One unique and enjoyable aspect of the Academy was the 'Musical Grammar' session.** These sessions made learning grammar fun and memorable, helping to reinforce rules through catchy tunes and rhythms. **For our English Language examination, we solved 10 OPPs (other school prelim papers) and questions from those papers did end up coming in our final board exam paper, as guessed by the teachers.**

Nyasa Shah – SSRVM School – Board English Topper – 99/100 (Average of English I & II)

Amidst the dull schedule, I would excitedly await the ebullient classes with Sir and Madam which would brighten my mood more than any of the Sun's energy ever did! It's not often that you find such teachers who not only show sheer dedication and involvement in **their classes but also possess the talent of reducing the vast syllabus to laughter within the walls of VEA!** I really am glad to have chosen VEA for these three years of my life. I reluctantly leave VEA, having been captivated by the spell of English cast by two of the most skilled teaching wizards of the generation.

Tirth Dhama – 1st in Euro in English – 98/100 & 3rd in Euro (Overall)

Because of their continuous guidance and unwavering support, I could score 98/100 in English overall. And proudly, with a sparkle in my eyes I can say that I am the topper of my school! VEA has made sure that English becomes one of our strongest subjects. They did this by **teaching wonderfully along with giving us perfect study material, by making us read more than 200 sample essays, by practicing 60 grammar worksheets, by having MCQ exams, revisions, doubt clearings, keyword tests and solving over 20 prelim papers before the board.**

Dhruvie Sawla – 1st in Pawar Public School in English – 98/100 (Average of English I & II)

I never thought grammar could be learnt like this! It has been a game-changer for me in the way I was learning English. The Key Word Tests were super handy in nailing down the core points. The 24-hour Helpline 'There for you' were a lifesaver before exams. Nobody can compare to what VEA has done for us during the time of Board Exams. Solving different school prelim papers really prepped me for the actual exams and boosted my confidence big time. It was so crucial because it gave a clear idea of how the paper was going to be in the final exams. **The Milestone by Vikram Sir was an eye-opener and was scheduled at such a right time when we students needed some form of motivation.** I also loved how accessible everything was, from the website and the study material to just being able to reach out whenever needed. You really made the whole learning experience so smooth and stress-free.

Arham Kamdar – SSRVM School – Board English Topper – 99/100 (Average of English I & II)

The group essay discussions, where Sir had us brainstorm in groups of four to five, significantly boosted my creativity in the writing skills. I am especially grateful for the personal attention given in class. Sir's regular calls to check on our mental health and ensure we were not overly stressed. I vividly remember the day before our board exams when I came for doubt solving, I saw Sir and Mam working tirelessly, preparing numerous Last-Minute Revision (LMR) materials and answer keys despite Ma'am being unwell and working sleepless nights, was profoundly motivating.

Nandini Agarwal – JK Singhanian – 96/100 in English (Average of English I & II)

My experience with VEA has been highly interactive and nurturing one. I can confidently say that I have not seen an English Academy like this one, nor have I seen any professors teach a subject with such dedication. **I can still recall extracts from the Merchant of Venice and Treasure Trove as my mind fills with the memories made, laughing and learning with Vikram Sir and Kripa Ma'am.**

Shruuti Mrug – 1st in Pawar Public School in English – 98/100 (Average of English I & II)

The entire staff worked restlessly throughout the day and night especially during the board examination. I personally experienced it when **I had called Vikramjit sir at 2 a.m. the night before the English Literature Board examination to clear a doubt of mine.** My expectations of a tired and sleepy Vikramjit sir, who had been solving doubts of students the whole day, were completely shattered when I heard a loud and cheerful sound from the other end of the call. Ironically, I cannot recall now what doubt I had, but I can completely remember my awestruck face when sir solved my doubt with the same enthusiasm he has while he teaches in the classroom.

Tanmay Bhanushali – 2nd in Euro in English – 97/100 (Average of English I & II) & 3rd in Euro (Overall)

Vikramjit Sir and Kripa Mam possess a unique ability to bring literature to life. They utilize a range of teaching strategies, including in-depth discussions, interactive analyses, innovative projects, and creative assignments, which have made our sessions both enjoyable and intellectually stimulating. Talking about the English Language whether it was improving my grammar, expanding my vocabulary, or enhancing my conversational skills **when it came to writing Narrative Essays, Precis writing and such complex topics they provided targeted exercises and insightful feedback that significantly improved my abilities.**

Vihaan Pradhanani – 1st in FIS (Billabong) School (Overall), English 96/100 (Average of English I & II)

I am incredibly grateful to Vikram Sir and Kripa Ma'am for their exceptional English classes. Their unwavering dedication, passion for the subject, and innovative teaching methods were instrumental in my achieving outstanding results in my Board. Their classes were never monotonous. They consistently went above and beyond expectations, transforming even the most complex works of literature, into engaging learning experiences. **Their teaching style was a perfect blend of academic rigor and creative exploration, fostering a deep appreciation for the nuances of the English language. Moreover, their personalized attention and genuine care for each student created a nurturing and supportive learning environment.** They not only helped me improve my English skills but also instilled in me a lifelong love of literature.

Devansh Jain – 1st in Euro School & Overall in English & 2nd in India 99.6%

I joined VEA in grade 9, having heard numerous stories from my seniors about them. Every praise was accurate. Among a batch of 20-30 students, Sir could discern any change in a student's behaviour within minutes. Not once did I notice either Sir or Mam forgetting a student's name. Vikram Sir is truly the Shakespeare of English literature. Dumb charades and other group activities orchestrated by Sir were the highlights of the sessions. **My mother used to say, "Sir and Mam ne ek baar karwa diya hain na, toh hogaya."** That was the level of my mother's trust in them. Thanks to their unwavering efforts, I could focus on my other subjects. The 24-hour helpline was a true lifesaver. **I would wake up to around 100 doubts on the group, and each one was addressed and explained.** The fact that Sir and Mam personally met us on the day of the Board exam provided me with an additional boost of confidence.

Shree Bhanushali – SSRVM School – Board English Language Topper at ICSE 2024- **100/100**

All the lectures at VEA were less of lectures and more of fun, interactive classes where studying and enjoyment were together and it was a totally wonderful experience studying these 2 years with Sir and Ma'am. **The notes were compiled in a very simple format and were very self-explanatory where just reading notes for the exams was totally enough.**

Hiya Barua – JK Singhania – Board English Literature Topper at ICSE 2024- **100/100**

At VEA, we realised not to underestimate grammar. I regret to compare it to Math, but- Grammar too needed logic, practice and a good knowledge of the rules. The only difference I observe is that **I enjoyed Grammar in VEA- all credits to Vikram Sir with his puns and musical grammar- which made it easier to remember!** The test series and frequent exams helped reduce the load during the school prelims and the Boards. MCQs, Last Minute Revision sheets, doubt clearing sessions, various schools' prelims papers drove me to 99/100 in English Language and Literature. **The Key Word Tests were a great addition, which worked upon the most common errors made by students.** Even now, I have the Literature books preserved, with my annotations to keep alive the memories.

Bhavi Kanekar – 1st in NES School – Overall & Board English Topper – 99/100 (Average of English I & II)

After the English board exams ended, I looked back at my 10 years of learning English. **From learning the ABCs to decoding the works of Shakespeare.** In all these years of learning the language, **without a doubt, my 3 years at Vikram's English Academy will be one of my most memorable experiences.**

Ojas Patkar – 1st in Pawar Public School in English – 98/100 (Average of English I & II)

The coaching material provided by VEA for language and literature was exceptionally informative. The numerous grammar exercises and the comprehensive question-and-answer sections in literature were incredibly helpful. Additionally, the hundreds of practice sheets for grammar and the excellent collection of essays available on their website proved to be invaluable. **Being a part of the Scholar's Batch was an absolute honour. This experience was pivotal in my academic journey,** as it allowed me to interact with top students from different schools fostering an environment of mutual learning and personal growth.

Hiya Thakkar – 1st in Euro School in English – 98/100 (Average of English I & II) & 2nd in Euro (Overall)

Vikram Sir and Kripa Ma'am were more like friends and mentors rather than teachers, which made the environment very light and enjoyable. **VEA not only improved my grammar skills, it also largely enhanced my English vocabulary and gave me techniques as to how to write an exam and score well.** It is their commitment and dedication towards their students which propelled me to put in extra efforts for the English exams and justify their hard work. I want to thank Vikram Sir and Kripa Ma'am for helping me achieve 99/100 in English and I wish them continued success in nurturing more students in the future.

Sayuj Sanjeev – 1st in SSRVM School (Overall) & Board English Topper – 99/100 (Average of English I & II)

Both Vikram Sir and Kripa mam left no stone unturned in making every lecture as fun and interesting as possible. Even the most boring scenes of MOV and stories of Treasure Trove were made humorous by them. **The 'out of the box' thinking and group creative writing activities improved my critical thinking skills as well as taught me to work effectively as a team.** The tests at VEA made us academically sound to appear for the board exams. The 'DJ VK remixes' made us fall in love with grammar. **'IF ITS ENGLISH, IT IS DEFINITELY VEA.'**

Aditya Punekar – 1st in Friends Academy (Overall), 97/100 in English (Average of English I & II)
